Education

- **James Madison University** Harrisonburg, VA
M.S. in Computer Science, Concentration in Secure Software Systems *2010 - Present*
 - Current GPA: 4.0
 - Expected Completion: May 2012
- **James Madison University** Harrisonburg, VA
B.S. in Computer Science *2007 - 2010*
 - Graduated Magna Cum Laude
 - Cumulative GPA: 3.742
 - Coursework focused heavily on customer interaction, object oriented requirements analysis and design, as well as individual and team based programming projects. Notable projects I worked on include a machine learning application using a small artificial neural network, a PHP topographical map web application, and a sign language instructional tool that can be deployed as an embedded Applet or as a standalone Java application.

Work Experience

- **Naval Surface Warfare Center (Department of Navy)** Dahlgren, VA
Student Trainee, Student Career Experience Program *May 2009 - Present*
 - Developed web applications in support of advanced radar programs
 - Developed java applications
 - Managed IT lab while administrators were unavailable
 - Attended Better Software/Agile Development Practices Conference, *Las Vegas, NV. 2010*
 - Obtained Department of Defense secret clearance
- **Marquee Cinemas** Massaponax, VA
Floor Staff *Jan. 2007 - Aug. 2007*
 - Process ticket sales and refunds
 - Worked concessions
 - Theater maintenance

Skills

- Programming
 - Java, C/C++, MATLAB, Python, BASH, Scheme
- Software
 - MS Word, MS Excel, Putty, WinSCP, VMware
- Databases
 - MySQL, MS SQL
- Web Development
 - JSP, PHP, HTML/CSS, Javascript
